Dear Member:

The Board of Trustees is pleased to announce that weekly supplemental unemployment benefit will be reinstated in February. Benefits will only be paid for weeks of unemployment, occupational disability, non-occupational disability or jury duty incurred after January 4, 2010. The Trustees have also agreed that the full weekly benefit be reduced to \$75. As in the past, the weekly benefit amount is evaluated monthly and is adjusted when the Plan is not fully funded. For the month of February, the funding position is 75%. This means the weekly benefit will be \$56.25.

The Trustees will continue to monitor the Fund's level of reserves and take appropriate action when necessitated.

Sincerely,

BOARD OF TRUSTEES
