Dear Fund Participants:

Effective for all medical services incurred on or after January 1, 2011, Medical Mutual of Ohio will be responsible for paying claims.

There have been no changes to the schedule of in network and out of network benefits. It is important to remember that the use of a network provider as opposed to a non-network provider is a benefit for both you and the Fund. The Fund office will continue to determine eligibility. Notifications of any changes, such as name, address or adding of new dependents, should continue to be sent to the Fund Office.

New identification cards will be mailed directly by Medical Mutual prior to January 1, 2011. Be sure to present the new card to all medical providers for services rendered on or after January 1, 2011.

The prescription plan is not being changed so you will need to continue using your Express Scripts prescription card.

If you have any questions or need additional information, please contact the Fund Office.
